Wine description

The Latour family bought Chateau Corton Grancey in 1891. This wine, produced by Maison Louis Latour, is unique and exclusive. It is a blend of four areas of Domaine Latour Corton Grand Cru: Les Bressandes, Les Perrières, Les Grèves and Clos du Roi, the proportions of which vary depending on the vintage. The average age of the vines is over 40 years. After aging individually, only the best barrels are assembled to create the Château Corton Grancey. It is a wine that is produced only if the grapes are of a perfect maturity, vintages judged inferior are systematically declassified.

Tasting note

This wine has a pale ruby colour and much fruitiness and roundness characterize this powerful and well-structured wine. This elegant grand cru is very much typical of the Pinot Noir and should be cellared.
