

Louis Latour Agencies

Meursault

Louis Latour

Vintage	2010
Country of Origin	France
Region	Côte de Beaune
Grape varieties	Chardonnay

Wine description

Meursault is situated just south of Volnay and Pommard in the Côte de Beaune. The perfect south-easterly exposure and stony marl soils contribute greatly to the remarkable finesse of which these wines are capable. Typically Meursaults tend to be very full, mellow wines and mature sooner than the wines from the neighbouring communes of Puligny and Chassagne.

Tasting note

This Meursault is pale yellow in colour with green highlights and a subtle and fresh nose of citrus fruits and vanilla, with some oak adding a certain complexity.

Vineyard information

Average vine age	25 years old
Soil composition	Stony Marl
Average yield (hl/ha)	45 hl/ha
Harvest type	Hand picked
Environmental management	Sustainable
