## Meursault

### Louis Latour

Vintage	2011
Country of Origin	France
Region	Côte de Beaune
Grape varieties	Chardonnay

#### Wine description

Meursault is situated just south of Volnay and Pommard in the Côte de Beaune. The perfect south-easterly exposure and stony marl soils contribute greatly to the remarkable finesse of which these wines are capable. Typically Meursaults tend to be very full, mellow wines and mature sooner than the wines from the neighbouring communes of Puligny and Chassagne.

#### Tasting note

This wine has a bouquet of toasted almonds, honey and candied lemon. In the mouth there are again aromas of acacia honey and also toasted and vanilla notes. It is a powerful and round wine.

#### Vineyard information

Average vine age	25 years old
Soil composition	Stony Marl
Average yield (hl/ha)	45 hl/ha
Harvest type	Hand picked
Environmental management	Sustainable
