Vintage	2017
Country of Origin	France
Region	Provence

### Wine description

Château des Demoiselles is located in the Var, in the Esclans Valley, between hills and plains in the heart of Provence. The vines are planted on red clay and limestone soils, and the proximity to the Mediterranean Sea brings complexity and freshness to the wines, with harvest always taking place at night. The wines will be officially certified Organic with the release of the 2022 vintage.

### Tasting note

From the onset, the red and black fruits are creeping out of the glass, with notable blackberry and blackcurrant dominating through to the palate. There's hints of black pepper and cinnamon spice, adding an attractive intensity to its smooth and luscious long length.
