Burnside Vineyard Chardonnay McHenry Hohnen

Vintage	2014
Country of Origin	Australia
Region	Margaret River

Wine description

The property was purchased in 1976, at the time a run-down farm on the sharpest bend of the Margaret River. Located close to the coast with views of the Indian Ocean, the name Burnside has its origins in Ireland where it means one who lives by a burn or stream.

Tasting note

An alluring and powerful example of a Margaret River Chardonnay. Aromas of ripe loquat and peach flesh give way to nuances of fresh pineapple and light brioche dough. The palate is multi-layered with ripe peach, crème caramel and underlying natural ferment characters. Textural layers are supported by persistent mineral acidity, combining power and grace.
