Burnside Vineyard Chardonnay McHenry Hohnen

Vintage	2022
Country of Origin	Australia
Region	Margaret River

Wine description

The Chardonnay rows are on a steep northerly aspect running in a northwest, southeast orientation. The double effect of oceanic and river influence creates a unique microclimate here, and the resulting wines combine old-vine power and richness with impressive natural acidity and aromatic complexity.

Tasting note

The nose is expressive revealing fresh almond pastry, white nectarine, and Nougat aromatics. A flinty complexity and a delicious savoury character to the palate, which is powerful yet defined by a fine frame of natural acidity. This Chardonnay captures the distinctive character of this site.
