Rocky Road Vineyard Cabernet Sauvignon

Rocky Road

Country of Origin	Australia
Region	Margaret River
Grape varieties	Cabernet Sauvignon

Wine description

The Rocky Road vineyard is located near Witchcliffe in the South of the Margaret River region. With a northerly aspect, the vines enjoy long days of sunshine, moderated by the vineyard's southern location. The vines are cane pruned on a single bilateral cordon with a vertically trained canopy. It is a simple and practical format that maximises light penetration and maintains a balanced vine.
