## Hazel's Vineyard Syrah McHenry Hohnen

Vintage	2018
Country of Origin	Australia
Region	Margaret River
Grape varieties	Syrah

### Wine description

Hazel's Vineyard Syrah was sourced from a single block of biodynamically grown Syrah at Hazel's Vineyard. The vineyard lies close to the headwaters of the Chapman Brook near Witchcliffe in the southern Margaret River region. Vineyard management embraces sustainable 'old school' practices that mark a return to methods used before the development of intensive, industrial agriculture.

### Tasting note

Lavender, dark liquorice and cinnamon spice are balanced with the savoury notes of olive tapenade and roasted nuts. The palate begins with intense fruit aromas with spicy notes developing on the finish.

### Vineyard information

Average vine age	20 years old
