

Rocky Road Semillon Sauvignon Blanc

McHenry Hohnen

Vintage	2011
Country of Origin	Australia
Region	Margaret River
Grape varieties	Sauvignon Blanc, Semillon

Wine description

McHenry Hohnen's 2011 Semillon Sauvignon Blanc is a 60/40 blend and, for the first time, is made entirely from the family's own vineyards. Semillon came from the in-laws on the east side of Margaret River town, sauvignon blanc from the Burnside vineyard and a little bit of both varieties from the Calgardup Brook vineyard. This gave an eclectic mixture of fruit that shows firmly in the bottle. In another first, 5% of each variety was put into French oak barrels for a natural yeast fermentation.

Tasting note

This is a succulent and delicious wine, with attractive tropical aromas of passionfruit and lychee held in check by the delicate notes of blossom nectar. The palate is fleshy, with flavours of apple, lemon zest and dried pear. It finishes firm and fresh with lingering yellow citrus.
