Irancy

Simonnet-Febvre

Vintage	2021
Country of Origin	France
Region	Burgundy
Grape varieties	Pinot Noir, César

Wine description

The vineyards of Irancy are located in a natural amphitheatre which protects them from the northerly winds and offers a south, south-west exposure. Pinot Noir is the dominant grape variety but up to 10% of César can be added to the blend.

Tasting note

This wine exudes red fruit aromas. In the mouth we detect candied fruits and smooth tannins help in creating a harmonious wine. César (5%) was added to the blend giving the wine its structure and a boost of colour.
