Petit Chablis Simonnet-Febvre

Vintage	2022
Country of Origin	France
Region	Chablis
Grape varieties	Chardonnay

Wine description

The appellation was created in 1944. Petit Chablis is the principal product of the plantings on the outskirts of Chablis and it is located on higher ground, on stony terrain. The terroirs are made up of hard, brown limestone.

Tasting note

The wine is fruit-driven and is incredibly fresh and vibrant in the mouth. Fruit driven but with the acidity and minerality Chablis is known for, this wine works perfectly as an aperitif, with charcuterie or shellfish.
