Estate Collection Reserva Cabernet Sauvignon

Viu Manent

Vintage	2010
Country of Origin	Chile
Region	Colchagua Valley
Grape varieties	Cabernet Sauvignon

Wine description

The Estate Collection Reserva range represents the purest expressions of each grape variety and are characterised by vibrant aromas and flavours. The Cabernet Sauvignon is a blend of 93% Cabernet Sauvignon, 4% Merlot and 3% Syrah all from the Colchagua Valley. The 2010 growing season was cooler than average and as a result the wines are fresher, with greater natural acidity and lower alcohol levels. This wine can be drunk on release or cellared for up to 4 years.

Tasting note

Intense violet-ruby-red in colour and loaded with fresh fruit on the nose, including berries, cherries, and cassis, combined with subtle notes of mocha. The medium-bodied palate offers soft, well-rounded tannins that lead to a long, well-balanced, and elegant finish.

Vineyard information

Average vine age	26 years old
Elevation	190 metres
Soil composition	alluvial origin with a sandy-clay texture
Harvest type	Hand and Machine Harvested
Environmental management	Sustainable

Winemaking information
