Secret Sauvignon Blanc

Viu Manent

Vintage	2014
Country of Origin	Chile
Region	Casablanca Valley
Grape varieties	Sauvignon Blanc

Wine description

The Secret de Viu Manent wines are made in a modern style and make the most of the primary fruit characteristics of each grape variety. Whilst the dominant grape variety is expressed on the label, 15% of the blend of each wine is kept a closely guarded secret. The grapes for this wine come from two vineyards located in different sectors of the cool Casablanca Valley. One is located beside the town of Casablanca and the other is in Las Dichas, approximately 11 km (7 miles) from the sea.

Tasting note

This wine is very light, almost clear greenish-yellow in color. The nose is very fresh with citrus notes such as lime and grapefruit along with exotic fruits, pineapple, and passion fruit. The fresh and fruity palate has a mineral quality, depth, tremendous volume, and a long, persistent finish.
